Your Interests

Please check the ways you'd like to participate in our League this year (for household memberships, please put member names or initials next to the checkboxes). No experience is necessary:

- Voter services (candidates nights, voter registration, Get Out the Vote VOTE411)
- Youth services (Students in Albany, Youth Vote, Civics programs)
- Election reform, redistricting
- Local school issues
- Firearm safety and regulation
- Advocate with elected officials (letter-writing campaigns, phone calls, etc.)
- Assisting with upcoming events and programs
- Communications (website, Facebook, media)
- Membership (welcoming and mentoring new members, increasing diversity, recruitment)

At times, our League will focus on a particular topic for further study and involvement. If that is of interest to you, please indicate that topic here:

All organizations need leaders as well as members. Now that you have noted your areas of interest, please note the level of involvement you would like to have:

- I might be interested in a leadership role in one of my area's of interest
- I might serve on a committee or a study group
- Call on me from time to time to help when needed
- I want to support the League and its mission primarily through membership and/or donations.

Tell Us More!

Please tell us about your interests with the League. We want to hear from you!

Would you mind telling us what prompted you to join?

What areas/skills might you like to build? Our local League is what we make of it!
